The situation in the Middle East

**Security Council
Sixtieth year**

**Identical letters dated 11 August 2005 from the Chargé d'affaires
a.i. of the Permanent Mission of Lebanon to the United Nations
addressed to the Secretary-General and the President of the
Security Council**

On instructions from my Government, I transmit to you herewith a statistical table (see annex) showing the Israeli violations of Lebanese sovereignty that took place during July 2005, a total of 120 violations.

These acts of aggression are in violation of the relevant Security Council resolutions, the latest of which is resolution 1614 (2005), and go against your repeated calls for their cessation, most recently in your report of 20 July 2005 (S/2005/460). Lebanon relies on the United Nations to compel Israel to desist from these violations which constitute a threat to international peace and security, and holds Israel responsible for any consequences to which those acts may give rise.

I should be grateful if you would have the present letter and its annex circulated as a document of the General Assembly, at its fifty-ninth session, under agenda item 36 "Situation in the Middle East", and of the Security Council.

(Signed) Ibrahim Assaf
Chargé d'affaires a.i.
